# A New Wave

*Lasell College has not only admitted a new wave of students but has enhanced their facilities as well: the renovation of residential buildings, the bookstore, the mailroom, the Office of Student Affairs and an all new Eddie's. Athletics has played an expanded role at Lasell College. Five new houses & a new athletic playing field have been added to the campus. Lasell has only grown over the past year with more growth anticipated in the future.*

### *Changes*

*They curl like waves  
Over the sands of time  
Surprising us  
Making us fear the next one  
I will not fear  
I will gather my strength  
I will catch the next one  
And I will ride it to shore*

This has to be the most social event of the weekend. The day begins with a barbecue hosted by Marriott Dining services. After a full stomach, you head on down to the Charles River. Students, faculty and staff, family and friends compete in canoe races. Whether your canoe paddles its way to victory or simply into the canoe next to you, you will be sure to have a great deal of fun.

# Family and Friends Weekend

Every year the family & friends of Lasell College gather for a weekend of good food and good fun. It is a weekend for getting reacquainted with old friends. The weekend began with a presentation of "Rock Music in the Video Age", included the traditional River Day canoe races and ended with a jazz brunch.

## LASELL COLLEGE MEN'S BASKETBALL

The men's basketball team, in its first year of competition, impressively compiled a winning record of 14-11. The season kicked off with an exciting Midnite Madness held in October with team introductions, music, contests and a raffle.

Head Coach Mike Catapano and his assistants, Chris Harvey and Mark Giovino guided the team through the season. The most impressive victory was a 65-62 decision over MIT in February.

First year player Pat McTomney led the team in scoring, averaging 16.5 points/game. Pierre Francois led the team in rebounds with 6/game and averaged 2.8 assists/game.

The Lasers hope to improve their record next year and, hope to be competing for the championship in the North Atlantic Conference. With seven players expected to return to the line-up, these goals will be within reach.

The Women's Basketball team had an excellent season. Second year head coach Tracey Downs, and first year assistant coach Galvin Leggett, guided the squad to an 8-15 record. However this record does not reflect how hard these ten women worked throughout the year. There were several extremely close games and, if you were a fan, you were always guaranteed a fast-paced, suspenseful game to watch.

The team started the season on an excellent note by winning the annual Lasell College tip-off tournament. Siobhan Smith was named the MVP of the tournament and Jaime Frederiksen was named to the all-tournament team.

The rivalry between the colleges in the North Atlantic Women's Conference was apparent throughout the rest of the season and the conference games were always intense and well played. At the end of the season, Lasell was in third place in the conference standings.

The team traveled to the Maine Maritime Academy for the conference championship and ended the season in third place. This was a major jump in standings from last season. Tonya Pickett was named to the all-tournament team in Maine.

Sophomore Siobhan Smith led the North Atlantic Women's Conference in free throw percentage for the 1998-1999 season. Freshman Jennifer Lesnick had an incredible year scoring. She scored a record of 42 points in one game and scored a record of ten three-pointers in one game.

The Lasers had a very strong, connected team. All members contributed immensely to the success of the season. With eight members expected to return next year, the women are anxiously looking forward to competing in the North Atlantic Conference and finishing with a winning record.

LASELL COLLEGE WOMEN'S VOLLEYBALL 1998

The Lasers had an incredible season this year winning the most games in Lasell history and finishing with a record of 12-6. The squad of mostly first-year students played at a very high level and surprised many opponents. Head Coach Mary Tom led the team with the help of co-captains Melissa Wilson and Tania Cirino. The women worked hard in pre-season and during the season to improve their skills and their game.

Next year the women will have the opportunity to compete for a conference championship as the North Atlantic Conference begins tournament play. Lasell should be a contender for the championship in this conference after defeating many of the conference teams this season and expecting the return of at least six players.

## Mens Lacrosse

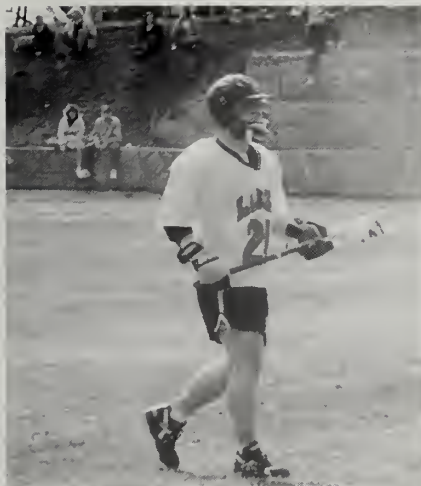

### *Lacrosse*

The men's lacrosse team, under the direction of Coach Kevin Tyska, finished their first season with a respectable 7-7 record. The team consisting of all first-year students worked hard during the off-season conditioning and honing their skills to become a competitive team. The Lasers outscored their opponents by a total of 27 goals and an average of 1.2 goals/game. Goalie Paul Lively recorded 250 saves for the season. Leading scorers for the team were Eric Lewandoski and Alex Paragios with 39 and 35 goals respectively. Lasell defeated such teams as Clark, Franklin Pierce, Utica and Curry. With a talented recruiting class coming in, Coach Tyska is excited about the 2000 season and expects to better the 1999 record.

## Men's Soccer

### Lasell College Men's Soccer 1998

The first men's athletic team to take the field in this historic first year of coeducation at Lasell was the men's soccer team, headed by veteran coach Giovanni A. Pacini. The team met for the very first time in mid August to begin practice and begin its quest to develop into a competitive squad. The team, made up entirely of first year students, was put to the test regularly as it faced some of the best teams in New England and the nation. The end result was a 5-11-2 season with three of the losses having only a one goal differential.

The Lasers of Lasell are looking forward to bringing their game and program to an even higher level during the 1999 season. They will begin competition in the North Atlantic Conference, and will face even more national-level teams.

## Lasell College Women's Soccer 1998-99

The women's soccer team had a tough season this year and finished with an overall record of 5-11-1. The Lasers, though, capped off the season by finishing second in the North Atlantic Women's Conference after defeating Marine Maritime Academy in the first round of play. The women then lost the championship game to Bay Path College.

Leading the scoring for the women were Karla Smith and Emily O'Connor. Jill Petercuskie was tough in goal and will be missed next year. The defense was led by co-captains Lauren Polimeno and Heidi Lewis.

Veteran Coach Banny Yee retired after the season and will be greatly missed by the entire team. Next year, the team will be under the direction of new Head Coach Catherine Kidd and will be expecting the return of seven veteran players. The Lasers will look to improve their record and win the North Atlantic Conference.

The softball team was under the direction of two new coaches this year as Head Coach Bob McKinley and Assistant Coach Tom DeFilippo made their debut. The team also for the first time played on a "skinned" infield as Taylor Field was renovated to meet NCAA specifications for softball. The women's softball team finished the season with a respectable record of 7-10. Leading the team in offense were Rose Dunham and Katherine Lord, who had batting averages of .440 and .430, respectively. Lasell recorded an all-time record number of stolen bases with 71. Melissa Wilson and Rose Dunham led the team with 14 each. The Lasers were the runners-up in the North Atlantic Women's Conference Championship losing in the finals to Wheelock College. Melissa Wilson and Jaime Frederiksen were named to the All-Tournament team during the championships. The goal for the 2000 team is to capture the conference championship and improve upon its record. This goal is within reach with a spring trip to Florida planned and the first-year talent that is coming in to participate on the team.

## Cultural Events on Campus

Lasell College offers a variety of cultural opportunities on campus. The events are sponsored by different offices or organizations on campus, and pull together the campus community for a variety of celebrations. During the 1998-1999 school year, there were activities such as Swing Lessons, the Holiday Dinner with a cultural theme, the Black History Month Talent Show, Women's History Month pianist/lecture Leslie Nuchow, and the Model Seder.

Highlighted on these pages are the Yamawaki group, Black History Month Talent Show and the Model Seder. The Yamawaki group from Japan travels to Lasell annually to enjoy a combination of educational and social events. Yamawaki students may stay with Lasell student volunteer hosts during their stay. Together the Japanese student and her host sister enjoy attending events, as well as learning about one another's cultures. The annual visit is concluded with a special evening at the President's house, with the Yamawaki students demonstrating Japanese culture and wearing traditional kimonos.

In its first year, the Black History Month Talent Show drew a large crowd. Audience members were fortunate to see Lasell students demonstrating a variety of talents. From singing, dancing and speeches, nothing was left out of this Talent Show. Winners were awarded monetary prizes for their ability to 'wow' the crowd. "Latinos in Action" made their debut and were later called upon to perform at the Awards Banquet in May.

For the second year, the Model Seder was observed through the efforts of several people. The entire Lasell community was invited to take part in this educational experience. The meal is especially prepared for the evening as each food item represents an element of the ceremony. Everyone participates in the celebration, and gains a greater understanding of the meaning of Passover.

## GRADUATES

## Graduation

On Sunday, May 16, 1999, the Class of 1999 marched with pride out of the Athletic Center onto Taylor Field for its Commencement exercises. As the last class of all women to graduate from Lasell there were many tears and cheers for what had been and the changes that were to come in the future. Friends and family filled the large tent to see the Class of 1999 walk across the stage and receive their diplomas. After the beautiful ceremony graduates, faculty, staff, family and friends gathered in the Athletic Center to take pictures and talk about times spent at Lasell. Slowly families, friends, faculty, staff and graduates filed out of the Athletic Center and into the world of hopes and dreams that Lasell has been a part of these past few years.

Graduates of the fashion design and merchandising program proceed down to the tent.

Janna O'Brien and Jenn Brooks talk with family members before the graduation ceremony.

Margarette Roberts receives her diploma from President Thomas de Witt.

Bess Ramger holds her diploma as she leaves the stage to proceed back to her seat.

Kerri Heffernan and Rayna Cascella pose for a picture together after the graduation ceremony.

Nicole Damiano and her friend pose for a picture at the reception for the graduates.

Each year the Lasell College yearbook staff dedicates the Lasell Lamp to someone who possesses the following qualities: has a genuine love for Lasell; spends extra time at the College, outside of his/her job; and always makes time for the students.

The individual the 1999 yearbook staff has chosen earned her Associate's Degree at Fisher College in Boston. This remarkable person has been a presence at Lasell College for fourteen years. Her job requires her to wear many hats, such as organizing events sponsored by the President's Office and keeping track of full-time faculty and staff vacations (a *very* important job). She is the Assistant Clerk to the Board of Trustees and a member of the President's Cabinet. Some of her "unofficial duties" that she can be seen doing around campus include helping make the campus look great by weeding the gardens around many of the houses. She has also supported the athletic teams by going to many of the home games, including lacrosse, soccer and basketball.

She enjoys working on this campus because she feels the people are very friendly and she is able to interact with the students. Many students know her as the woman who lives in the yellow house and has a beautiful sheep dog named Molly.

This year's yearbook staff is proud to dedicate the 1999 Lasell Lamp to Margaretta (Gretta) Arnold, Executive Assistant to the President.

## Personal Messages

Cheri,

How sweet the thoughts are that fill my heart today, dear daughter of mine! Memories that stand in the midst of the years; fadeless, enduring, FOR-EVER.

Cheri, Keep your ideals high enough to inspire you and low enough to encourage you. You have worked so hard to get where you are today and I am very proud of you! I thank GOD for picking me to be your mother. He gave me one of his stars and you are shining bright today! YOU DID IT CHERI! I love you!!

Your Mom

Much love to all the PACT mothers including Eb. Thank you for your support, I'll miss y'all. All my love goes to the PACT babies. To my son "Kean-dro" — Thank you for allowing me to shower you with love. To the MIB's, keep having fun.

Love,  
Vlu

## Thanks for your support...

C O L L E G E

It is with great pride that we present to you the 1999 Lasell Lamp. The yearbook staff has worked especially hard this year. Not only did the staff take pictures of the events on campus and write copy but they also learned how to put together pages and layouts for the yearbook. We would like to thank all of the hard working staff members. They did a great job.

We would also like to thank Brian Duggan, our advisor, for all his hard work, dedication and persistence. Brian brought his enthusiasm and threw himself into learning all about the yearbook and how to complete one. He had his hands full but he helped complete not one, but two, yearbooks in one year. We thank Brian very much for a great year and wish him success on his upcoming Master's degree.

Thank you,  
&
